- Deana Lawson, *Mama Goma*

Short Answer Questions

- Compare and contrast the work of two FSA photographers (examples might include Arthur Rothstein, Dorothea Lange, Walker Evans, and Gordon Parks). Include in your answer a description of subject matter, aesthetics, and your chosen photographer's process for making work.
- Describe the work of a postmodern photographer. Ground your discussion in specific photographs and describe your photographer's aesthetics, references, and goals. What specifically makes your photographer's work postmodern?

Be sure to define your use of the term "postmodern" carefully.
